

20th Annual Fall Workshop on Computational Geometry October 29-30, 2010

Friday, October 29: 9:00am to 5:00pm in CEWIT 200

Saturday, October 30: 9:00am-5:00pm in Simons auditorium

Invited Speakers:

Friday (2:30): Erik D. Demaine (MIT)

Saturday (2:00): Christopher J. Bishop (SBU)

Hosted by the Center of Excellence in Wireless and Information Technology (CEWIT)
and the Simons Center for Geometry and Physics

Sponsored by the National Science Foundation and the
Department of Applied Mathematics and Statistics, SBU
